Re: FCC ID numbers 2ABO6-0725, 2ABO6-1210, 2ABO6-0610, and 2ABO6-1229

To whom it may concern:

Nyle Oswind Parry Limited Liability Company is submitting equipment authorization applications for four of its products with the same WLAN/Bluetooth chipset, circuitry, layout, placement, antenna design, and transmit power table, as well as the same form factor, enclosures, display, battery, I/O and PCB board designs. These four products include the following FCC ID numbers: 2ABO6-0725, 2ABO6-1210, 2ABO6-0610, and 2ABO6-1229.

Therefore, we hereby respectfully request an approval to leverage the WLAN and Bluetooth test reports from our equipment authorization for FCC ID number 2ABO6-0725 for our other equipment authorizations with the following FCC ID numbers: 2ABO6-1210, 2ABO6-0610, and 2ABO6-1229.

Please let me know if you have any questions.

Sincerely,

Jan Allen
